

NEBOSH

International Diploma in Occupational Health & Safety - UK

NEBOSH IDIP

NEBOSH – International Diploma in Occupational Health & Safety

The NEBOSH International Diploma is a prestigious and highly-respected qualification, which is seen as the leading qualification for health and safety practitioners around the globe.

The course covers health and safety management, hazardous agents, and work equipment safety and builds on the topics studied in the NEBOSH International Certificate courses.

The NEBOSH International Diploma meets the requirements to apply for graduate membership of IOSH (GradIOSH). With continuing professional development (CPD) you can then become a chartered safety and health practitioner as a chartered member of IOSH (CMIOSH). It also allows you to use the letters 'IDipNEBOSH' after your name.

A sound basis for progression to an Msc in occupational health & safety management (UK)

Course Syllabus

NEBOSH International Diploma is divided into four units, each of which is assessed separately:

- Unit IA: Managing health and safety
- Unit IB: Hazardous substances and agents
- Unit IC: Workplace and work equipment safety
- Unit DNI: Application of health and safety management in the workplace

Unit IA: Managing health and safety (156 learning hours)

2. Introduction
3. Review and critical analysis of how health and safety is currently managed
4. Evaluation to determine top three improvements required
5. Conclusions and Recommendations
6. Bibliography
7. Appendices

Testimonial

Candidate Name: Pawan Kumar Singh

As an alumni I want to convey my heartiest feeling, that during my two years with NIST, the institute has always been very kind and professional.

The guidance were very helpful and timely, which helped me to achieve NEBOSH IDIP within two years of time. A tons of thanks to all staff and faculty of the Institute. Wishing NIST ALL THE VERY BEST.

Training Methodology

Blended Learning (Class room + Online) / E-learning (Online) / Block release (Class room)

Assessment Method

- 3 hours written examinations are held for Unit IA, Unit IB & Unit IC respectively.
- Knowledge on application of health and safety theory and practice is tested by Assignment Unit DNI.

Course Duration:

Learning & Study hours

- Unit IA - 156 hours
- Unit IB - 115 hours
- Unit IC - 120 hours
- Unit DNI - 77 hours

Overall study hours 468

Benefits

- On successful completion of the qualification, the Diploma holder may apply for Graduate membership (Grad IOSH) of the Institution of Occupational Safety and Health (IOSH), the major UK professional body in the field.
